Raindate: Monday, May 14, 2018

From the Principal

Dear Parents,

Spring sports in full swing, a sneak peek at summer-like weather, the sound of lawn mowers, spring flowers and trees breaking out in bloom, the calendar proclaiming the month of May, etc. All these things signal to us that the end of the 2017-2018 school year is fast approaching.

So many things are happening during this last full month of school. The instructional staff will be completing their final benchmark assessments in the next few weeks so the individual growth each student has made during this school year can be seen. The children will be participating in field trips and/or other special end of the year activities.

A formal Awards Ceremony will be held on Wednesday, June 6th, for 3rd and 4th Grades at 8:50am in the multi-purpose room. Kindergarten, 1st, and 2nd grade classroom teachers will hold awards programs in their individual classrooms at a date and time to be announced by your child's teacher. Just a reminder that Tuesday, June 5th, and Wednesday, June 6th, are Act 80 days with dismissal for K-6 grade students at 11:30am. Breakfast will be served on these last two days, but lunch will not be served.

Please remember that learning is a life-long skill. It does not take a break for summer. Author Walt Streightiff wrote, *There are no seven wonders of the world in the eyes of a child. There are seven million.* I encourage you to take time to explore some of the many wonders of the world by reading with your child and spending quality time with them as much as possible. Keep your children actively using

their reading and math skills to help prevent the "Summer Slide."

As this school year draws to a close, my leadership here at Central will come to an end. This year marks my 30th year as an educator in the Commonwealth of Pennsylvania. For 29 of those years, I have had the privilege of serving the South Williamsport Area School District in a variety of roles including a long-term substitute teacher, a classroom teacher and, finally for the last ten years, as an administrator - the principal of Central Elementary. Throughout the years this district has provided many wonderful opportunities for my personal and professional growth and for these I am extremely grateful. My life has been touched by so many - students and their families, fellow teachers and administrators, support staff, custodians, bus drivers, school board members, and the list goes on. The support and encouragement given have enabled me to accomplish so much during my career. Thank you to all for believing in me.

It is now time for me to move on. While I will greatly miss the students and staff at South, I joyfully look forward to beginning the next exciting chapter of my life, where I can focus on my family, especially my grandchildren, and tackle those projects around the house that I have been unable to get to while working. I wish the district continued success in doing what is best for kids.

Kathy A. Furman, Principal
