

VisionSavers

Protecting your sight – Saving your money.

frequently asked questions by members

What is VisionSavers?

Vision Savers, The Eye Center of Central PA's Corporate Vision Program, is a discount vision care program offered to you through your employer.

Is VisionSavers an Insurance Plan?

VisionSavers is not an insurance plan – it is a FREE, corporate Discount Plan offered through The Eye Center of Central PA.

Who is eligible to participate in Vision Savers?

Any employee, full-time or part-time, as well as immediate family members can participate in the VisionSavers program.

How much does it cost to participate in the program?

Participation in the program is FREE.

There are no:

- Membership fees to join
- No insurance premiums
- No deductibles
- No payroll deductions

What is included in VisionSavers program?

As a member of the VisionSavers program, you will receive:

- 50% off vision exam and refraction
- \$100 per eye Discount on LASIK Vision Correction
- Savings up to 30% off other vision care services

VisionSavers will save you money!

How do I schedule an appointment?

Just call 866.995.EYES (3937) and request an appointment for your initial vision examination, at one of our 16 locations closest to you. Remember to bring your membership cards included in this packet to all of your appointments.

Are there any exclusions to becoming a member of VisionSavers?

Any patient, the cost for which is covered by Medicare, a Federally-Funded State or Healthcare Program including CHIP and Medicaid, is excluded from this program; this exclusion also applies to anyone covered by private vision insurances.

For additional questions on exclusions call The Eye Center at 866-995-EYES (3937).
