

March 3, 2026

Dear Parents and Guardians,

I hope this message finds you well. As we continue through the 2025–2026 school year, I want to take a moment to share important information regarding our instructional plan should we need to miss any additional days of school due to inclement weather or other unforeseen circumstances. If additional school days must be canceled, the South Williamsport Area School District will pivot to remote learning to ensure continuity of instruction for all students.

Please review the expectations outlined below:

Kindergarten through 5th Grade

All students in grades K–5 will complete academic packets provided by their grade-level teachers for the day(s) of remote instruction. Teachers have already distributed these packets to students. Families should ensure that these materials are kept in a safe and accessible location at home so students are prepared to complete the assigned work if a remote day is called.

Grades 6 through 12

Students in grades 6–12 will follow the remote learning schedule developed by building-level administrators. Students will meet virtually throughout the day with their grade-level and content-area teachers and will continue moving forward with course instruction. These expectations have been clearly communicated to students and staff.

If you have any questions, please feel free to contact the appropriate building administrator:

- Central Elementary School Principal – Ms. Dyan Frame (dframe@swasd.org)
- South Williamsport Junior/Senior High School
 - Grades 6–8 – Dr. Kim Bollinger (kimbollinger@swasd.org)
 - Grades 9–12 – Mr. Jesse Smith (jsmith@swasd.org)

We appreciate your partnership and flexibility as we work to maintain meaningful learning experiences for our students. Thank you for continuing to support your children in their education and for the ongoing support you provide to our school district. Your collaboration makes a tremendous difference in the success of our students and our schools.

Sincerely,

Dr. Eric Briggs

Dr. Eric Briggs
Superintendent of Schools
South Williamsport Area School District
